THANKS TO THE PLAYERS: *Clark, George, Pete, Tom, Harvey, Brian, John and Eddie, and to the spirit they all brought to the project. This is music that means something very personal and subjective to almost everyone, and their sensitivity and objectiveness is much appreciated. Thanks also to the musical ears and technical expertise of the engineers: Don Murray, Mike Kloster, Geoff Gillette, Neil Avron at Sunset Sound,*

Wally Traugott at Capitol Records, Robert Vosgien at CMS Digital, and the entire staff at GRP. Thanks to Jo Anne Kane, to Sandy DeCrescent and the little chamber band, to David Abel for sending over a superb piano, and to Craig Hubler and everyone at Sunset Sound.

Lastly, thanks to Duke, Stray and all the players ever associated with the Ellington institution, from one among so many beneficiaries of this tremendous heritage of jazz.
